

Make a 2'x2' Barn Quilt in a day!

Mary Noska and Lisa Kajer will teach a barn quilt class on **August 12th** at The Old Wadena Rendezvous from **9:30 am – 4 pm**. **The total cost is \$20** (plus the fee to enter the Rendezvous). There is a special grant that is covering the rest of the costs.

The supplies for the class include a 2' x 2' aluminum composite sign board, brushes, 3 or 4 paints, barn quilt pattern, barn quilt instructions, and tape and rulers to be used in the class.

To finish in the time frame, you can choose 3 or 4 colors from a selection of 14 colors (including black & white). All of the paint is a premium latex, exterior semi-gloss. We will also provide patterns that can easily be finished in a day.

We do have some aprons but you may want to wear "painting clothes". Bring water to drink and a lunch. There will be some food available to be purchased at the Rendezvous.
